

Water supply system improvement works at Sungai Selangor Phase 2 (SSP2) Water Treatment Plant

Syarikat Bekalan Air Selangor Sdn Bhd (SYABAS), a member of Air Selangor Group, would like to inform that water supply system improvement works at Sungai Selangor Phase 2 (SSP2) Water Treatment Plant will be carried out on 24 April 2019 for a

period of 14 hours. The repair works will result in total plant shutdown.

As such, several areas in Kuala Lumpur, Klang/Shah Alam, Petaling, Gombak, Kuala Langat and Kuala Selangor will experience temporary water supply interruption. The recovery period of water supply, after the plant

resumes operation, will vary from one area to another depending on the geographical location and altitude of customers' premises.

A total of 10 Local Service Centres (LSCs) will be activated at 8:00 am, Friday, 26 April 2019. *Please refer to list of areas, interruption period and

LSCs location in the table below.

Customers are advised to store sufficient water before 24 April 2019. For more information and current updates, kindly visit our website at www.syabas.com.my, Facebook "Air Selangor", Twitter @air_selangor and "Air Selangor" smart phone application.
