Dear valued partner,

Greetings from Hyatt Place Bangkok Sukhumvit.

Please be informed that our pool will close for essential work during 13 – 31 May 2019. During this close period, on request we can arrange swimming pool access outside our hotel as an alternative option to our guests at a cost to our hotel. We would work day by day for access with Hilton Sukhumvit and Marriott Executive Apartments within our same Soi.

We apologize for this inconvenience and thank you again for your partnership

Best regards,

Chanatta Onsubsai
Director of Sales
