

## **The Reopening of Siem Reap's Grand Dame on the 1<sup>st</sup> of June 2022.**

It is with great pleasure to announce that the French colonial mansion, Raffles Grand Hotel d' Angkor will officially reopen on June 1, welcoming back guests and residents after an extensive renovation before the pandemic-related operational pause.

An oasis for those embarking on a journey to the UNESCO World Heritage Site of Angkor Wat, Raffles Grand Hotel d'Angkor is an enchanting destination for all generations. The iconic hotel continues to embody regal and unparalleled glamour retaining all the elements of the hotel's illustrious days – heavy brass keys, claw-footed ceramic bathtubs, traditional ceiling fans, authentic rotary telephones, and the original timber cage elevator. The hotel underwent an extensive restoration in 2019 introducing modern luxuries and comfort, breathing new life into the landmark hotel, while retaining its old-world charm.
