22<sup>nd</sup> December 2022

### **Temporary closure of Gayana Marine Resort**

As highlighted by the Malaysian Meteorological Department, extreme storm and rough sea conditions are expected between the 21<sup>st</sup> to 25<sup>th</sup> of December 2022. We have experienced continuous heavy rainfall, rapid winds, and a record-high king tide, which has damaged several boardwalks around the resort. As the safety of our guests and employees is paramount we have decided to temporarily close Gayana Marine Resort in order to expedite the necessary repair efforts. All incoming guests booked for Gayana Marine Resort will be relocated to our sister property, Bungaraya Island Resort which is also located on the same island. We apologise for the inconvenience caused.

We wish everyone a Merry Christmas and a Happy New Year. Stay Safe!

Thank you.
